IELTS
Overall: 5.5 (B2)

✦ Certifications

Dedicated Employee - HCM Project

Creative Idea Award: Initiative MB Junior App MB

Creative Idea Award: Initiative MB Group Fund Management App

Creative Idea Award: Building OT Service Culture for MBers

Experience

MB Bank - Military Commercial Joint Stock Bank

02/2022 - Present • Senior UXUI Designer

- Design and develop Design System, write user guides, and collaborate closely with other departments to ensure smooth integration of the Design System.
- Shape visual foundations, define aesthetic direction, and standardise UI components to create a unique interface identity for projects.
- Advise and design experiences, review and approve designs from concept to completion (Research, Wireframe design, UI, Prototype, User testing, Handover, Testing, Go-live) to ensure project success.
- Conduct product audits and heuristic evaluations to identify issues, improve experience, and ensure interfaces comply with UX principles.
- Use AI tools (Claude code, VS code, Figma make, UX pilot, etc.) to support UX research, Design System, User flow, and optimise work efficiency and design quality.
- Create and standardise Mini App documentation, including feature structure, user flow, and design guidelines to ensure consistency and ease of implementation.
- Projects involved:
  - **Business Process Management** (BPM/LOS) Project: Managing processing workflows for bank products (Loans, Disbursement, Cards, etc.), support tools (Price consulting, Collateral valuation, Collateral warehouse), monitoring, etc.
  - **M-Office** (MO) Project: Internal document management, clerical workflow (Signing, Approval, Countersigning, etc.), and record storage.
  - **Human Capital Management** (HCM) Project: Managing personnel, competencies, training, benefits, and planning models.
  - **IT Service Quality Reporting** (QARS) Project: Managing reporting processes for MBBank systems.
  - Experience consulting for: **CRM, BIZ, Action Management** (AMT), etc.

Tech VSI Co., Ltd.

07/2021 – 02/2022 • UIUX Designer

- Developed consulting documents, Researched Customer Personas, Customer Journey Maps, Qualitative/Quantitative Research, Responsive Design, Breakpoints, Omnichannel, Empathy Maps, etc.
- Collaborated with cross-functional teams (BA, Developer, Tester), led UIUX team to analyse research, create wireframes, ideate, design, manage, and develop **Techcombank Website** project & **Techcombank** events.
- Consulted and designed websites for projects such as **Forbes, FPT AI, FPT CFS**, optimising interfaces and user journeys.

Ilighting Technology Joint Stock Company

06/2020 – 08/2021 • Sub Lead UIUX Designer

- Led and directed design for UI/UX team members, ensuring style consistency and product quality.
- Designed, measured, and optimised user experience to enhance interaction and conversion rates.
- Researched, planned, identified apps to clone, studied functions, user interfaces, and features for design.
- Built wireframes, user flows, style guides, and created visual designs; participated in user research.
- Designed banners and logos for app stores (Google Play, App Store).
- Collaborated with Marketing team on social media design materials.
- Apps worked on include **VPN App, QR Code, Yoga, Download Manager, Photo Editor,** etc.

✦Notable Freelancer Projects

Viettel (2026) • UIUX Designer

- Consulted and designed user-friendly interfaces, ensuring attractive design compliant with branding and design systems.
- Collaborated closely with other departments to standardise UI components and integrate well with ongoing interfaces.
- Projects involved: **Viettel Monitor - Strategy Project, Viettel Internal Control, Initiative - Idea Project, Miniapp Food Ordering**.

Space AI (2025-2026) • Product Designer

- Researched and analysed product features and information structure to build user experience and smart utilities related to AI-based call handling according to user needs.
- Defined design style and branding guidelines, designed interfaces ensuring balance between aesthetics, usability, and product goals.
